

Hospital Equipment RFQ Checklists

30 short checklists to define a clear requirement before you compare offers. For hospitals, distributors and project teams in Iraq.

قوائم تحقق لطلب عروض المعدات الطبية

How to use this guide

1. Find your equipment category in the list below.
2. Answer the question at the top of its checklist and tick each item you can define.
3. Add your city and the quantity you need.
4. Send the completed page to MTD through mtdltd.ir. We coordinate the technical and commercial discussion with qualified producers.

This guide is a planning aid. It is not a statement about any specific product, and it does not replace the requirements of your local authorities.

Contents

Patient Monitoring: Bedside Patient Monitoring, Central Patient Monitoring

Critical Care: ICU Ventilator

Anesthesia: Anesthesia Workstation

Cardiology: ECG Machines

Emergency Care: Defibrillators and AEDs

Infusion Therapy: Syringe and Infusion Pumps

Surgery: Electrosurgical Units

Minimally Invasive Surgery: Laparoscopy Systems

Operating Room: Operating Tables and Surgical Lights, Modular Operating Rooms

Sterilization: Steam Sterilizers

Infection Control: Instrument Washer Disinfectors

Medical Gases: Oxygen Generators

Dialysis: Hemodialysis Machines and RO Water Treatment

Medical Imaging: Digital Radiology Systems, C-arm and Mobile X-ray, Ultrasound Systems

Laboratory: Laboratory Analyzers, Blood Bank and Cold Chain Equipment

Neonatal Care: Neonatal Incubators and Phototherapy

Patient Care: Pressure-Relief Mattresses

Hospital Equipment: Hospital Stainless Steel Furniture

Rehabilitation: Physiotherapy Devices

Ophthalmology: Ophthalmic Surgery Equipment

Orthopedics: Orthopedic Implants and Instruments

Dental: Dental Units and Chairs

Medical Suction: Surgical Suction

Hospital Systems: Nurse Call Systems

01

PATIENT MONITORING

Bedside Patient Monitoring

Which parameters must each bed monitor?

حدّدوا المؤشرات المطلوبة لكل سرير

- ☐ ECG
- ☐ SpO2
- ☐ NIBP
- ☐ Respiration
- ☐ Temperature
- ☐ IBP
- ☐ EtCO2

Your answer, city and quantity:

02

PATIENT MONITORING

Central Patient Monitoring

How many beds will one station supervise?

كم سريراً ستراقبون من محطة مركزية؟

- ☐ Number of beds
- ☐ Alarm routing
- ☐ Data storage
- ☐ Nurse call link
- ☐ Network

Your answer, city and quantity:

03

CRITICAL CARE

ICU Ventilator

Which patients and modes must it cover?

ما فئة المرضى وأوضاع التهوية المطلوبة؟

- ☐ Adult or pediatric
- ☐ Ventilation modes
- ☐ Gas supply
- ☐ Alarms
- ☐ Trend storage

Your answer, city and quantity:

04

ANESTHESIA

Anesthesia Workstation

Which cases will the workstation support?

أي أنواع العمليات ستخدمها محطة التخدير؟

- ☐ Case types
- ☐ Gas supply
- ☐ Vaporizers
- ☐ Ventilation modes
- ☐ Monitoring
- ☐ Service

Your answer, city and quantity:

05

CARDIOLOGY

ECG Machines

How many ECG channels does your clinic need?

كم قناة تحتاجون لتخطيط القلب؟

- ☐ 1 to 12 channels
- ☐ Interpretation
- ☐ Record storage
- ☐ Printing
- ☐ Battery

Your answer, city and quantity:

06

EMERGENCY CARE

Defibrillators and AEDs

Where will the defibrillator be used?

أين سيُوضع جهاز إزالة الرجفان؟

- ☐ Ward or public place
- ☐ Adult and pediatric
- ☐ Battery
- ☐ Electrode pads
- ☐ Training
- ☐ Maintenance

Your answer, city and quantity:

07

INFUSION THERAPY

Syringe and Infusion Pumps

How many pumps does each ward need?

كم مضخة يحتاج قسمكم؟

- ☐ Ward type
- ☐ Drug library
- ☐ Occlusion alarm
- ☐ Battery
- ☐ Number of pumps

Your answer, city and quantity:

08

SURGERY

Electrosurgical Units

Which procedures will the unit support?

ما الإجراءات الجراحية المستهدفة؟

- ☐ Procedure types
- ☐ Monopolar or bipolar
- ☐ Accessories
- ☐ Return electrodes
- ☐ Service

Your answer, city and quantity:

09

MINIMALLY INVASIVE SURGERY

Laparoscopy Systems

Which laparoscopic procedures will you run?

ما عمليات المنظار التي ستجرى؟

- ☐ Procedure types
- ☐ Camera and light
- ☐ Insufflator
- ☐ Monitors
- ☐ Instruments

Your answer, city and quantity:

10

OPERATING ROOM

Operating Tables and Surgical Lights

Which surgical specialties will the room serve?

أي تخصصات جراحية ستخدمها
الغرفة؟

- ☐ Specialties
- ☐ Table type
- ☐ Light type
- ☐ Ceiling or mobile
- ☐ Service

Your answer, city and quantity:

11

OPERATING ROOM

Modular Operating Rooms

How many operating rooms are in the project?

كم غرفة عمليات في مشروعكم؟

- ☐ Number of rooms
- ☐ Room size
- ☐ Wall system
- ☐ Equipment list
- ☐ Timeline
- ☐ After-sales

Your answer, city and quantity:

12

STERILIZATION

Steam Sterilizers

What daily sterilization load must it handle?

ما حجم الحمولة اليومية للتعقيم؟

- ☐ Load type
- ☐ Chamber size
- ☐ Cycles
- ☐ Utilities
- ☐ Validation

Your answer, city and quantity:

13**INFECTION CONTROL****Instrument Washer
Disinfectors****How many instruments must you
process daily?**

كم أداة تحتاجون غسلها يومياً؟

- ☐ Instrument types
- ☐ Daily volume
- ☐ Programs
- ☐ Water quality
- ☐ Documentation

Your answer, city and quantity:

14**MEDICAL GASES****Oxygen Generators****How many beds need oxygen
supply?**

كم سريراً يحتاج إلى أكسجين؟

- ☐ Bed count
- ☐ Flow demand
- ☐ Backup supply
- ☐ Site power
- ☐ Service

Your answer, city and quantity:

15**DIALYSIS****Hemodialysis Machines
and RO Water Treatment****How many dialysis stations are in
the project?**

كم محطة غسيل كلّي في مشروعكم؟

- ☐ Number of stations
- ☐ Water source
- ☐ Central or portable RO
- ☐ Consumables
- ☐ Training

Your answer, city and quantity:

16**MEDICAL IMAGING****Digital Radiology Systems****Which X-ray examinations will
you perform?**

ما أنواع فحوص الأشعة المطلوبة؟

- ☐ Exam types
- ☐ Room layout
- ☐ Daily patients
- ☐ Image archive link
- ☐ Service

Your answer, city and quantity:

17**MEDICAL IMAGING****C-arm and Mobile X-ray****Which procedures will the mobile unit support?**

ما الإجراءات التي سيخدمها جهاز الأشعة المتنقل؟

- ☐ Procedures
- ☐ Detector type
- ☐ Mobility
- ☐ Radiation protection
- ☐ Service

Your answer, city and quantity:

18**MEDICAL IMAGING****Ultrasound Systems****Which specialties will the ultrasound serve?**

ما التخصصات التي سيخدمها جهاز الموجات فوق الصوتية؟

- ☐ Specialties
- ☐ Probes
- ☐ Portable or cart
- ☐ Reporting
- ☐ Training

Your answer, city and quantity:

19**LABORATORY****Laboratory Analyzers****Which tests and sample volume must the lab cover?**

ما قائمة الفحوصات وعدد العينات اليومية؟

- ☐ Test menu
- ☐ Daily samples
- ☐ Reagent supply
- ☐ Installation
- ☐ Service

Your answer, city and quantity:

20**NEONATAL CARE****Neonatal Incubators and Phototherapy****How many neonatal beds are in the unit?**

كم حاضنة تحتاج وحدة حديثي الولادة؟

- ☐ Number of beds
- ☐ Incubators
- ☐ Phototherapy
- ☐ Monitoring
- ☐ Training

Your answer, city and quantity:

21

PATIENT CARE

Pressure-Relief Mattresses

What pressure-ulcer risk do your patients have?

ما مستوى خطر قرحات الفراش لدى مرضاكم؟

- ☐ Risk level
- ☐ Pump type
- ☐ Number of beds
- ☐ Cleaning
- ☐ Warranty

Your answer, city and quantity:

22

HOSPITAL EQUIPMENT

Hospital Stainless Steel Furniture

Which furniture does each department need?

ما المعدات الفولاذية التي يحتاجها قسمكم؟

- ☐ Trolleys
- ☐ Cabinets
- ☐ IV stands
- ☐ Sinks
- ☐ Cleaning standard

Your answer, city and quantity:

23

REHABILITATION

Physiotherapy Devices

Which conditions will your clinic treat?

ما الحالات التي ستعالجها عيادة العلاج الطبيعي؟

- ☐ Conditions
- ☐ Device type
- ☐ Clinic size
- ☐ Training
- ☐ Service

Your answer, city and quantity:

24

OPHTHALMOLOGY

Ophthalmic Surgery Equipment

How many eye surgeries will you perform monthly?

كم عملية عيون شهرياً ستجرون؟

- ☐ Surgeries per month
- ☐ Consumables
- ☐ Training
- ☐ Service
- ☐ Spare parts

Your answer, city and quantity:

25**ORTHOPEDICS****Orthopedic Implants and Instruments****Which implant system and sizes do you need?**

ما نظام الزراعات الجراحية المطلوب؟

- ☐ System type
- ☐ Sizes
- ☐ Instrument sets
- ☐ Documentation
- ☐ Replenishment

Your answer, city and quantity:

26**DENTAL****Dental Units and Chairs****How many dental chairs does your clinic need?**

كم كرسي أسنان تحتاج عيادتكم؟

- ☐ Number of chairs
- ☐ Unit type
- ☐ Suction
- ☐ Compressor
- ☐ Service

Your answer, city and quantity:

27**MEDICAL SUCTION****Surgical Suction****In which care setting will suction be used?**

ما بيئة الرعاية التي ستستخدم الشفط؟

- ☐ Care setting
- ☐ Flow
- ☐ Container size
- ☐ Portable or wall
- ☐ Accessories

Your answer, city and quantity:

28**HOSPITAL SYSTEMS****Nurse Call Systems****How many wards must the system cover?**

كم قسمًا سيغطي نظام نداء التمريض؟

- ☐ Number of wards
- ☐ Wired or wireless
- ☐ Integration
- ☐ Alarm routing
- ☐ Service

Your answer, city and quantity:

29

LABORATORY

Blood Bank and Cold Chain Equipment**What storage capacity and temperature do you need?**

ما سعة التخزين ودرجة الحرارة المطلوبة؟

- ☐ Temperature range
- ☐ Capacity
- ☐ Monitoring
- ☐ Backup power
- ☐ Validation

Your answer, city and quantity:

30

SURGICAL CONSUMABLES

Surgical Gowns, Drapes and Packs**Which procedures will use the packs?**

ما الإجراءات التي ستستهلك الأغشية والملابس الجراحية؟

- ☐ Procedure types
- ☐ Sterile or non-sterile
- ☐ Monthly volume
- ☐ Documentation
- ☐ Delivery

Your answer, city and quantity:

Ready to define your requirement?

Send your completed checklist, your city and the quantity you need through **mtdltd.ir**. MTD coordinates the technical and commercial discussion with qualified producers, case by case.

أرسلوا القائمة المكتملة مع مدينتكم والكمية المطلوبة عبر mtdltd.ir، وننسق النقاش الفني والتجاري مع المنتجين المؤهلين.
